Welcome to our office!

Your doctor has referred you to our office for testing. We are honored that your doctor has selected us to participate in your care.

Testing is often ordered to help diagnose a condition. If the testing does not reveal a covered diagnosis, your insurance company may determine that it is not medically necessary. Health insurance does not pay for everything, even some care that you or your health care provider have good reason to think you need. When you receive an item or service that is not a covered benefit, you are responsible to pay for it at the time of service. The cost for testing services usually ranges from \$50 to \$100 per test.

Please complete both sides of the **HEALTH HISTORY FORM**. This will shorten your time in the office. If you have any trouble completing this information, someone from our office will be happy to help you at the time of your visit. Please bring your form and your **MEDICAL INSURANCE CARD(S)** with you to your appointment.

Do not hesitate to call our office if you have any questions. We look forward to meeting you!

Sincerely,

The SightLine Doctors & Staff
