Welcome to our office!

We are honored that your doctor has selected us to participate in your care. Our role is to deliver excellent patient care and to meet the high expectations of you and your doctor. Your doctor is in a unique position to be able to evaluate our services. This is a strong motivating force for us and should be a source of comfort for you.

If you wear contact lenses, please leave them out prior to your appointment:

- Soft lenses: 3 days
- Soft toric (astigmatism-correcting) lenses: 1 week
- Gas permeable lenses: Your eye doctor should stabilize your cornea first. This time period varies.

Depending on testing done by your doctor, you may be dilated for your evaluation. If you are comfortable driving after dilation, a driver is not required. If you feel unsafe driving after dilation, please plan to have a driver with you. You must have a driver with you the day of your surgery. Please plan to be at the office for 2 hours for your procedure.

Please complete both pages of the **HEALTH HISTORY FORM** prior to your visit. This will shorten your time in the office. If you have any trouble completing this information, someone from our office will be happy to help you at the time of your visit. Please bring your forms and your **MEDICAL INSURANCE CARD(S)** with you to your appointment.

Do not hesitate to call our office if you have any questions. We look forward to meeting you!

Sincerely,

The SightLine Doctors & Staff
